DOES THE BIBLE TELL US ABOUT GLUTTONY?

“Cretans are always liars, evil beasts, lazy gluttons.” Titus 1:12

“Do not mix with winebibbers, Or with gluttonous eaters of meat.” Proverbs 23:10

“Whoever keeps the law is a discerning son, But a companion of gluttons shames his father.” Proverbs 28:7

“And they shall say to the elders of his city, ‘This son of ours is stubborn and rebellious; he will not obey our voice; he is a glutton and a drunkard.’” Deuteronomy 21:20

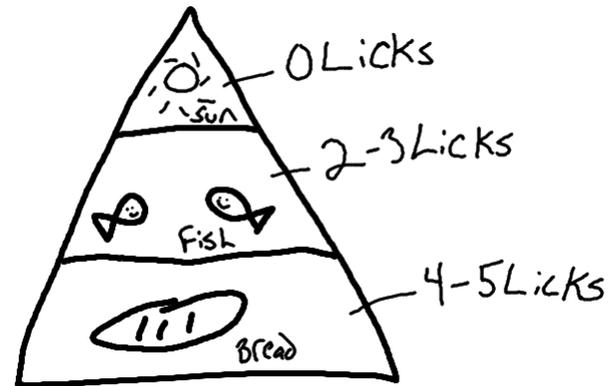

YES, IT DOES!

“So guys, guys really, come on guys, lets just agree to not do it. OK?” - Pope Galleas XLVI

God has permitted earth to only have so much food on it at one time. When you eat more than you are allowed this causes starvation in far away countries such as Greece or Spain.

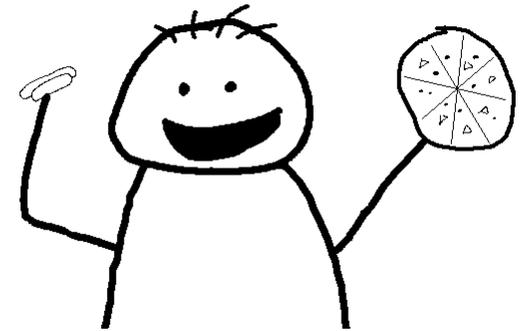

Did you know that in the Christian bible it is known that Jesus set down suggested dietary eating guidelines when he fed 5000 people with just FIVE loaves of bread and TWO fish?

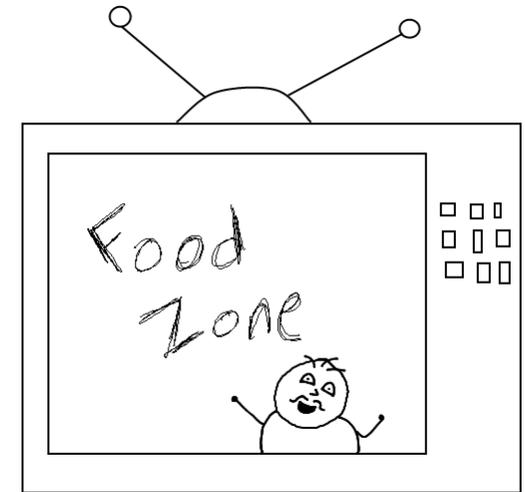

It has been proven by Christian science enthusiasts that the exact amount of nutrition needed to survive can be derived from licking a loaf of bread five times and a fish twice.

gluttony: habitual eating to excess

Many people today seek to gain satisfaction by eating food.

The T.V. shows bombard us to eat food and the vain chefs on the shows instruct us how to make indulgent meals.
