# ORBITAL MIND CONTROL?

## **Q: Why Orbital Mind Control Lasers?**

A: After the rumours started circulating in the Cold War about the other power instilling them, we realized what a profitable venture OMC is.

## **Q: My friend is a liberal, and I'm concerned for his soul- what should I do?**

A: Send us your money. If we are able to collect the 2.3b USD that we've projected, we feel confident in our ability to launch a functional OMC laser by 2008, and from then on it's only a matter of time before nobody's friends are going to be liberal anymore.

## **Q: Aren't OMC's immoral?**

A: It's abbreviated OMC.

## **Q: What if OMC technology falls into the wrong hands?**

A: The scientific community holds a general consensus that that probably won't happen.

## **Q: Will they be used on me?**

A: They won't not be undisused on you, if that's what you mean.

## **Q: Just how reliable is OMC technology?**

A: More reliable than you will soon be capable of imagining.

Many people are misinformed on just what Orbital Mind Control is. Here are some fun facts to put your mind on the right track until we get them up.

- Eighty percent of sterile Russians have been exposed to orbital mind control lasers for years- and they're fine!
- Nazi Germany didn't begin employing OMC's until after Hitler rose to power. With these already in place, the whole crisis could have been averted.
- It will keep the othErS at bay.
- Countries with OMC's in them have a fifty five per cent lower cannibalism rate.
- Contrary to rumour, no explicit link has been found between Chyrnoble and OMC's.

Orbital Mind Control is a very real possibility for the Republicans for Tomorrow. If you want in on the conspiracy, please contact our founder, Peter Grey, at his work email, [peter\\_grey55@hotmail.com](mailto:peter_grey55@hotmail.com).

The future of the country lies in your hands- do you want to leave it in the hands of others?
